Based on a film of  
the same name  
featuring the  
world's "leading  
change-makers"  
(a mixed bag  
which includes  
Richard Branson,  
Desmond Tutu,  
Tony Benn, James  
Caan), this aims  
to inspire us to  
make a genuine  
difference in the  
world at one of the  
biggest "choice  
points" in history.
