

## November event - James Caan: Thirty Years of Business.

NOV 27

He may have come to fame in the Dragons' Den, but James Caan has been a businessman for more than three decades - and he knows all about the challenges business owners face on a daily basis.

In An Evening with James Caan, the entrepreneur will share insight from his own experience over the last 30 years, offer practical top tips on building up a company, and reveal how to get to the top - and stay there.

James will happily take questions on business challenges such as funding, cash flow, leadership, attracting talent, mentoring and marketing.

He has built global businesses in a string of sectors - now let him help you!

The event runs from 7.30pm - 9.30pm at the Emmanuel Centre, Westminster. Doors open at 6.30pm.

Tickets are FREE for Business Connections members, annual membership just £40. Tickets are £50 for non members. [Find out more about becoming a member.](#)
